The Sunlight is  
Glistening on  
Those "Orange Rims,"

but unfortunately for us it is not glistening on them in this country, as our shipment of STEARNS wheels was put on the "W. H. Dimond," so is not due here for a week. Our COLUMBIAS also are still out of wheeling range, as they got to S. F. the day before the steamer sailed, and no more freight would be received, but they will come along soon, and in the meantime we want you to know that we received 97 RAMBLERS by yesterday's steamer, and can fit you out with either a '96 or '97 wheel, and we know we can suit you. The 1896 RAMBLER is the bargain of the year and the chance to buy a well known high grade wheel for \$75 and \$80 will not last long, as we are informed by the makers that this is the last lot of '96 wheels they can furnish, for, as they write, "our sales have been phenomenal, and you took the last '96 wheels we had in stock."

WE RENT BICYCLES by the hour, day, week or month, and we rent high grade new wheels, such as RAMBLERS, STEARNS, and COLUMBIAS, so if you want a short ride or a long ride, want to ride single or want to ride double, drop in and see how nicely we can fit you out. You will get just as good a mount if you telephone us, and we will send your wheel to your door. Your chance to buy a '96 RAMBLER cheap will only last a few days, don't miss it.

THE WISE BACHELOR.

What He Thinks He Knows About Men and Women.

When a woman wants to brag to other women, she says it's such an awful bore to keep a bankbook.

The most fatal kind of heart failure is the kind people don't die of.

Women have such queer ideas about literature because they think in dialect.

No man who likes to listen to his little child when she says her prayers can be wholly irreligious.

When a woman says, "That's just like her!" you may know she's tickled to hear it.

A girl never thinks that the man she marries is going to be the kind to wear his old coat around the house.

When a girl gets married, all the women who don't like her begin to watch for her bad traits to show in her children.

When a woman hears that a man she has met has done something bad, she will never admit that she didn't expect it all along.

Very few women can preserve their respect for their husbands when they see them get rattled making a speech in public.

A child carries its new found happiness to the one it loves best, a woman to the one she hates most.

As soon as a man gets his first gray hairs he begins to boast to his wife of the business worries he has.

The real reason why women like cats is probably because they don't often track mud all over the floor.

After a girl gets married she never gets off her old joke about cigar ashes keeping moths out of the carpet.

When a girl looks so happy when she gets her engagement ring, she is thinking how she will enjoy showing it to another girl.—New York Press.

Embroidered Valances.

The question is often asked whether the mantel valance is really unfashionable. Once an indispensable accessory of the mantel, it appears to have subsided, like the cozy corner, into comparative obscurity. But that its use does not violate the canons of decorative art

ARTISTIC MANTEL DRAPERY.  
is shown by a very charming example of it given in The Decorator and Furnisher.

This embroidered mantel drapery is most graceful and simple in design. In a color scheme of which a door valance is a part the woodwork is a rich, deep mahogany, the drapery a soft cream color tending to pink, and the valance a green to match the embroidery on the drapery, decorated in lighter self coloring.

Until fair fingers utterly neglect the ancient and honored art of embroidery decorations such as these will always hold a more or less important place in the artistic home.

Fashions in Jewelry.

Fanciful ornaments are decidedly popular.

Diamond tipped aigrets are in demand for finishing off a fashionable coiffure.

A simple but effective finger ring employs two contrasting stones, one placed slightly above the other in a coiled ring of gold.

Bicycling, hunting, golfing and yachting all supply motifs for brooches and scarfpins.

The glittering lizard, armored in emeralds and pearls, with emerald eyes, continues to please.

Brooches represent this season popular bridesmaids' presents.

Fancy watches will remain popular so long as the fashion continues of wearing them on the outside of the corsage.—Jewelers' Circular.

A VOICE FROM THE BLEACHERS.

Local interest in the cricket games as reflected from the "bleachers" is increasing. During Saturday's games the "bleachers" were particularly vociferous and kept the players under a running fire of good natured banter. One small boy brought down the crowd by advising the batsman to "go buy a case of Rainier Beer and get some life in you." The crowd applauded the remark, knowing that Rainier Beer is celebrated for its invigorating and strength-giving propensities. On tap or in bottles at the Criterion.
